The book costs \$18.95 and can be purchased at: <https://www.perfectionlearning.com/social-studies/advanced-placement/psychology-ap-exam-prep.html> . Please note: students need to buy the physical book, not the online edition.

- AP Psychology students need to use the purchased book to fill out: [“Unit 1 Memory Vocab TDA Chart”](#)
  - **Task:** For each listed vocabulary term, use chapter 11 in the *AMSCO Advanced Placement Psychology* book to define it. Then apply the term by providing an example of that term being used in real life. Applications can be written and/or drawn. Note that you will need to read the entire chapter to be able to accurately define and apply the terms. You can type and print, or handwrite your TDA Chart.
