

Lee County High School
Syllabus/Class Policies
Carpentry I

**Craft Instructor/Teacher – John Wanner
Room 607**

Students and Parents:

Course Description: 46.55000- Carpentry I: This course is designed to allow students to learn framing basics with common and engineering lumber. After completing this course, the student will identify, rate, select, and use proper materials in construction of foundations, floors, walls, ceilings, and roofs. Additionally, they will gain a basic understanding of exterior/interior finishes, stairs, and doors/windows. Minimum performance requirements for this course are based on successful student completion according to the National Center for Construction Educations and Research (NCCER) Occupational Standards. Students who successfully complete the course in accordance with NCCER standards are eligible for registration with the NCCER National Craft Worker Registry.

We will be working out of the NCCER Core Curriculum book. We will have a classroom set of books for students along with PDFs that are available online. If the book is damaged, the replacement cost is \$58.00.

Basic Summary of the class:

The class is a “work at your own pace” class both individually and in teams with the expectation that all work will be completed and turned in by the deadline for that assignment. Grading will be done under a weighted average from the Common Core Standards for the class: Employability Skills, Construction Drawings, Concrete Products, Site Layout, Framing Floors, Walls, Ceilings, and Roofs, Installing Doors, Windows, Stairs and exterior Finishes.

Grading Policies:

It is the policy of the Lee County High School Construction program that the grading procedures of the program directly reflect the student learning objects as expressed by the Georgia Department of Education the Common Core Standards for the course. The standards are progressive through the school year and will be graded in the grading period in which they are taught. They are as follows:

CC Standards:

| | |
|------------------------------------|----------------------------------|
| AC-IFOS-1 Employability skills. | AC-IFOS-2 Drawings |
| AC-IFOS-3 Concrete | AC-IFOS-4 Site layout & footings |
| AC-IFOS-5 Floors & Walls. | AC-IFOS-6 Ceilings & Roofs |
| AC-IFOS-7 Doors, Windows, & Stairs | AC-IFOS-8 Exterior Finishes |
| AC-IFOS-9 SkillsUSA. | |

Grading Category Breakdown

Employability Skills = 20% (Common throughout entire year)
Construction Drawings = 10% (Common throughout entire year)
Concrete Products, Site Layout, Drywall = 60% (each taught at different times)
Construction of Floors, Walls, Ceilings, or Roofs = 60% (each taught at different times)
Installation of Doors, Windows, Stairs, or Exterior Finishes = 60% (each taught at different times)

Semester Finals (20% of Final Grade) & Summatives

At the end of each 9 weeks there will be a cumulative Summative progressing throughout the year. There will also be Finals at the end of the first Semester with a focus on Standard #1 – Employability. The EOPA will count as the Final for the 2nd semester.

Safety Policy

It is the Policy of the Lee County High School Construction Program to provide a safe and effective learning environment for its students. This will be accomplished through ensuring that all students are aware of this policy through this syllabus and through the posting of the “Shop Rules”. Further hands on training will be conducted within the class time for practical emergency situations.

- Students will learn their responsibilities in the event of Fire, Inclement Weather, Intruders, Serious Cuts-Abrasions-Burns, and physical incapacitation.
- Each student will participate in an evaluation of their current level awareness of the safe operation of common hand and power tools at the beginning of the training cycle. This evaluation will contain both written and hands-on components.
- Rehearsals of the student's personal responsibilities of the safety procedures will be conducted at the beginning of year in conjunction with the safety brief.
- Additional Retraining will be conducted after any event that results in serious personal injury or damage to equipment.

SHOP RULES

- 1. Safety is a part of everything. You are the one most responsible for your safety.**
2. Safety Glasses, closed toe/heel shoes, and long pants must be properly worn at all times in the shop while work is going on.
3. No horseplay of any kind is allowed in the shop at **any** time.
4. No personal electronic devices are allowed in the work shop except by the expressed consent of the teacher.
5. All accidents or incidents must be reported immediately to the teacher.
6. Clean up is a part of every day. So, plan your work accordingly.

**Any student that is caught breaking any of these rules can be removed from the shop and given retraining appropriate to the violation. This can include additional assignments, detention, and/or administrative referral.

**Students who damage or misuse any materials or tools will be responsible to reimburse the school the cost of repair or replacement.

Daily Class Requirements (bring to class EVERY day):

1. Safety Glasses*
2. Long Pants
3. Closed toe/heel shoes
4. Notebook paper
5. Pen and pencil

*One pair of safety glasses will be given to every student at the start of the year. If glasses are lost or damaged, the student can buy another pair of glasses from the instructor for \$2.50. Any glasses bought elsewhere must be inspected by the instructor before use in the shop. **NO DARK TINTED GLASSES OR SUNGLASSES WILL BE ALLOWED FOR USE INSIDE THE SHOP.**

General Rules

1. Students must come to class prepared every day, i.e. pencil, paper, PPE, etc.
2. Attendance is taken daily and students are to be on time and start any continual work.
3. Personal electronic devices are allowed in the classroom at designated times.
4. Students are to sit in the seat of the desks, no on the tops.
5. Students are to ask permission to leave for the restroom or anywhere outside of the classroom.
6. Students are to be respectful and courteous at all times.

General Discipline:

Discipline problems will not be tolerated including the consistent bringing of PPE to class every day. If a problem persists, the student will be referred to an administrator for appropriate action.

1st Offense

Warning

2nd Offense

Detention w/ guardian contact

3rd Offense

Administrative Referral
